Travel

Competitions / Performances Attendance Policy

The athletes have worked all season long for these weekends. Please plan your schedule accordingly. If for any reason your child does not attend or compete at the event, they will forfeit ANY and ALL gifts, medals, jackets, sweatshirts etc. for that competition.

These handouts will be given to the person that is substituting for your child at this event. If there is no substitution then the athlete that is absent will still forfeit all gifts, awards, etc from the competition company.

All athletes are required to perform both days of a 2-day event. If your child has to miss only (1) day, they will have to miss both days. This is for the betterment of the team at competition. Please remember there are **NO Refunds** for competition/performance/coaches fees. You will be responsible for paying the fees for the person that is substituting for your child if they will not be competing.

Arrival / Departure Times at Competitions

Please understand, when athletes do NOT arrive by the posted arrival time (set by Dynamic Diamondz), it creates so much stress on our coaches and our athletes that are competing. We want everyone to have an enjoyable stress free, fun day. It is very important that athletes arrive according to our schedule. Pre-Warm-up: Teams may have a pre-warm-up or additional practice times at a competition.

This will be decided based upon each teams needs the day of the event. Situations and accidents can happen. Following the Dynamic Diamondz schedule as opposed to the event producers ensures that we will have an entire team present. This will give our coaches and athletes an ample amount of time to make necessary adjustments within routines so the team does not suffer at competitions (i.e.missing an athlete).

TRAVELING - Out of state competitions

Dynamic Diamondz will be providing all of our families with the dates, times, and locations of all out-of-town events. Dyanamic Diamondz families **MUST** arrive to these destinations no later than 5:00 pm the evening prior to the competition day*

When traveling out of state, the athlete **MUST** arrive in the competition city by 5 pm the evening prior to the event start. If the competition begins on a Saturday, the athlete must arrive to the city **NO LATER THAN 5:00 PM on FRIDAY.**

*There may be exceptions to this rule. The competition schedule will reflect travel days. Its important to note that these competitions are not intended as family vacations; our primary focus is on competing, Therefore, its essential to keep the competition schedule in mind and ensure that athletes and their families are available for all required activities, such as practices, performances, awards ceremonies, and other events. Details plans and itineraries will be posted on stackteam before each trip to keep everyone informed and prepared.
